WELCOME TO DICE TOWER EAST 2025!

I have been waiting with excitement to see all of you again, and with my staff we want to say WELCOME to the most fantastic time of the year!

Thanks for coming to the Caribe Royale, where we have almost doubled our space! We have more room for gaming, we have more room for exhibitors, we have more room for you!

We want to say a special shoutout to our special guest - SungWon "ProZD" Cho. He's well known for his Youtube channel and voicework and acting, but we wanted him to join us because he also loves board games! Check out the live Top 10 list that he will be joining us on this week.

That's not the only show - check out our schedule for more events to watch or join in on. Play games that are upcoming in the demo area, or just released in the Hot Games area.

We have an amazing, curated library that we'd love you to try out. But games need people. I personally

invite you to use the "Players Wanted" and "Teacher Wanted" signs to find people to game with. And always my guarantee is that if you can't find people to game with, come find me personally and I WILL find you a game to get in!

There's always grim and serious things happening in the world, but I want you to put those to the side and just enjoy the next several days. Come say hi to the Dice Tower Staff, that's why we are here!

Oh, and read through this book! You want to know what's going on, and where things are happening? All here!

And then get out there and have fun gaming!

CONVENTION RULES

1. We believe that games are for everyone and are committed to fostering a fun, inclusive and safe environment free from discrimination, bullying and harassment for any reason. In other words, be a good, kind human. Failure to adhere to this rule may result in your removal from the convention and/or being banned from future Dice Tower events.
2. Attendees will receive a name badge upon arrival. Your badge must be worn and visible at all times while attending Dice Tower East 2024.
3. Carts, strollers, and wagons are prohibited in all gaming areas and the library. We have a specially marked “Cart Parking” in the Open Gaming Room, Demo and Hot Games Room, and the Library where these items can be stored while you are utilizing these rooms.
4. Attendees must be 7 years of age or older. Children under age 7 (including infants and toddlers) are not allowed in the gaming area.
5. Board games and their components (including rule books) MAY NOT be removed from the gaming area. Once you are finished with a game, it must be returned to the Dice Tower library.
6. Only one game may be checked out from the library at a time, and please play THAT game! Don’t hold onto a game while you are playing a different one, depriving others of playing it.

7. Return games to the library in the same condition they were in when you checked them out and to the same place you found them. Before returning a game, check the floor around your table for any pieces that might have escaped from the box.
8. **Marketing, selling or soliciting other attendees without the consent of the Dice Tower and Dice Tower East is prohibited.** This includes handing out fliers, pamphlets, promos, business cards, and taping materials to the hotel's walls.
9. Prototypes are welcome, but attendees may not claim an open table in the gaming area as their own, post any signage about their game, market or solicit to attendees in any way, or advertise it on our social media groups and pages (See Rule 8 above).
10. **No meals allowed in the gaming areas.** Please enjoy them in our designated area, in another area outside of our gaming space, or in your hotel room.
11. **No alcoholic drinks allowed in the gaming area.** Non-alcoholic drinks are permitted in the gaming area, and we ask that you use covered containers.
12. If you are feeling sick, please do not come into the gaming areas.
13. Attendees may be filmed or photographed for The Dice Tower and Dice Tower East marketing and promotion purposes.
14. Please follow all rules and regulations of the Caribe Royale. The Caribe is the home of Dice Tower East and we have a great relationship that we wish to maintain! If you have any issues with the hotel, please see Tom, Sharon or Camilla.

LIBRARY RULES

1. **Board games from the Dice Tower library and their components (including rule books) MAY NOT be removed from our gaming areas.** Once you are finished with a game, return it in its entirety to the Dice Tower library.
2. **Be respectful of our games and treat them as if they were your own.** Check the floor around you after you are finished and try to package up the games in the same way you found them. Notify the library desk if there are any pieces missing.
3. **Place any game pieces you find in the lost and found box in the library area.**
4. **Check out only one game at a time and try to follow a 4-hour time limit when playing games.** You may not reserve a game from the library or hold one to play later. Yes, we know there are a few games that take longer than 4 hours, and those are OK, but we encourage you to use the CBE scheduler for these.
5. **If you check out a game, PLEASE play it.** Games just sitting on tables and not being played will be picked up and returned to the library by our volunteers. Games may not be “reserved” while playing another game.
6. **Please use the players wanted/teacher wanted flags!** The flags are helpful to make new friends, find fantastic games, and have fun! Green flags mean that players are wanted; yellow flags mean that a teacher is wanted. Please note: we have removed solo components for most games as the flags are a great way to meet and play with others!

7. **Return the game to its exact shelf location.** Each game has a sticker on the box showing which shelf it sits on and each shelf has a picture at the top showing the exact location of each game on it. Putting games back in their exact locations makes packing up so much easier for us at the end of the con!
8. **No food around the games.** After checking a game back in, return it to its exact shelf location. Non-alcoholic drinks are allowed in the gaming area, but we ask that you use covered containers for your drinks.
9. **Be sure to check the supply shelf for any materials you may need** as it has dry erase markers, pens, poker chips and more to enhance game plays. We also have several library catalog binders to help you quickly find the games you want.
10. **ON SUNDAY, JULY 6th, LIBRARY CHECKOUT CLOSSES AT 1pm AND THE LIBRARY CLOSSES AT 3PM!!**
